STOCK NOTES.

A grade Galloway steer raised Chicago weighs 1,930 pounds.

The tax roll of Yavapai county has increased \$1,000,000 over last year Kingman Kansas claims the largest teer in the world, it weighs 4.250 ounds.

Nebraska has sustained over \$2,000 oo loss during the last season by Texas fever.

It is difficult to account satisfac torily for the disposal of all the cattle received at Chicago.

The New Mexico Board of Equalzation has fixed the assessment on cattle at \$12 per head. Cattle in Socorro country are re-

orted to be in a better condition than at any time since 1859. The market abroad for American live cattle is a shade better the best reaching 12c., estimated dressed

weight. Pluero-pneumonia has so scared the Scotch that they abandoned their annual cattle show in Edinburgh this year.

The Texas Stockman and Farmer wants to know what other business beside the cattle buisness would stand a shrinkage of 75 per cent, and still keep wiggling.

Mrs. Witter widow of John Witter, the noted horse dealer of Colorado. has been arrested and is undergoing her preliminary examination for pois oning her husband.

The Sierra Bonita Land and Stock Company this week rounded up and untruths." drove 500 heifers to their Hot Springs ranch, of which Wm. Roberts is man ager.-Wilcox Stockman. The total receipts of cattle at Chi

cago list week were the heaviest ever known, the aggregate being about 53 600 head It is not strange that the market has lost some of it

Governor Ross offers a reward \$500 for the capture of the parties who last March murdered Josep Lickey, the sheepman, and his assistants, Trojillo and Tessiere, new Antelope Springs, Valencia country

Sparks has been overruled again. He had decided that the homestea law, when it requires six mout is actual residence on the homestead each year, meant twelve months, and had instructed his land officers accordingly. Lamar has countermanded his order.

The Sagebrush Stockmen published at Reao Nevada has consolidated with the Gasette of the same place and will hereafter be published as the Weekly Gazette and Stockman, the Sag brush Stockman nay been one of thebestock papers in the western countr and if the new blood improves it, the new paper will be a thorough-bred.

A correspondent of the Las Vega-Stock Grower writing of Northern Arizona says: The stock and stock owners of this country never will, and never had, better cause to b. South. Barstow, Cala., Sou. P. R. & to contented and satisfied than right at cutaneous covering of the muscles and points in Southern California. Mojave, all the present time. The recent rain have brought out the grass and filled water are plentiful most anywhere, and it is still raining.

Last year stock in this section suffered a great deal for water and somof the best grazing places were nor used too far from it, but nearly everybody has improved their time by de was a year ago, besides there has been more cattle moved out of the northern part of Apache county than there has been calves branded or cattle brought in. There was no loss or stock here last winter and the cal: crop this season will be large, all ran ges here being well supplied with

The cattlemen, both American and Mexican, of northern Chihuahua have pooled issues and formed an association with a view of ridding the border of cattle thieves. The customary proceeding when a Mexican cattle or horse thief is caught is to 300 yards south of the rim of the Grand Can-yon of the Colrado in the Coconino Forest, sequence there is very little mar-Fine Liquors & Cigars. Trail' leads down into the Grand Canyon because for the beautiful of the American for the beautiful of therefore for the benefit of the American who hangs upon the border and trees to another monument of stones, thence south & of a mile by a line designed as above to a 3rd, monument, thence east one police system will be established, and police system will be established, and it is believed a few informal Friday afternoon aerial suspensions will have a salutary effect.-Hoof and Horn.

> The stallion Norwood Chief, owned at Patterson, N. J., and valued at \$10,000, dropped dead last week.

> A horse with ill-fitting harness on feels about like a man with a suit of clothes on that is either too large or

The fellows who predicted the im portation of draft horses would be much less for this season than for several years, will this month see larger importations than ever before to America.

It is said that 100,000 horses will be shipped out of Texas this season. invention, is said to be very succes-

shipment of 150 head being recently made to Los Angeles, which met with good sale at ready prices. It is said that Arizona at no distant day will be able to furnish horses for all of southern California. Range Journal. -

That is to say your lungs' Also all your breathing machinery. Very won-

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, cannot do

Call it cold, croup, pneumonia, catarrh , consumption or any of the family of throat and nose obstructions all are bad. All ought to be got rid of There is just one sure way to get rid of them. This is to take Boschee,s German Syrup, which any druggest State Lotteries which may be presented at ou will sell you at 75 cents a bottle. Even if everything else has failed you, you may depend upon this for certain.

Depth and Richness of Kansas Soil. "Yes, I'm from Kansas," he said meekly, as he got into conversation with a man on an eastern train.

"Ah, is that so? I am thinking of going out there myself to invest it some farming land."

"We have some very fine land." "So I understand-but are not some of the stories they tell of its ter-

ulity exaggera ed?" "Why, my friend, I am sorry to say that some of them are downright

"That's what I thought. Now, what is the most remarkable instance of fertility of Kansas soil which ever ame under your observation?"

"Well, I believe the case of my oump might go at the head of the "How is that?"

"I dug a well about 40 feet deep he first season I was there and put lown a wooden pump. It happened Capital Prize, \$150,000 that it was made out of a small cottonwood log which was a little green, and the soil at the bottom of the well, forty feet fom the surface, was so tertile that that pump took root, and it also grew up and branched out, and now, while my children play in a swing attached to one of the branches, I pump water through the hole which still remains in the trunk."

"Do you tell that for the truth?" "Why, certainly, sir, I never tell anything but the truth." "Are you engaged in farming or

in the real estate business?" "Why, I'm engaged in neither, ny friend, neither. I'm a preacher. went out there as a missionary sev en years ago, and though my work has been humble. I trust it has had a beneficial influence on our people,"

Physicians Itave Found Out

That a contammating and foreign element in the blood, developed by indigestion, is the cause of rheumatism. This settles upon the sensitive subthe present time. The recent rain- ligaments of the joints, causing constant and shifting pain, and aggregaup the water holes, so that feed and ting as a calcareous, chalky deposit which produces stiffness and distortion of the joints. No fact which experience has demonstrated in regard to Hostetter's Stomach Bitters has stronger evidence to support than this, namely, that this medicine of comprehensive uses; checks the formidable that no one can possibly divine what numveloping or saving water in some way, and atroctous disease, nor is it less and now there is perhaps twice as positively established that it is prefermuch that can be utilized as there able to the poisons often used to arrest it, since the medicine contains only salutary ingredients. It is also a signal remedy for malarial fevers, constipation, dyspepsia, kidney and bladder ailments, debility and other disorders. see that you get the genuine.

She Wanted to Knot.

about a wreck. She had expected her husband on a train that was thrown from the bridge. The conductor did not know a man of her name on the train, but said a man who was talking about the "Miss suri Slope," just before the accident occurred, was killed. "How did he talk, enthusiastically or indifferent?" "Enthusiastically very." "Oh' indeed, what were his last words? "Well, as I remember, the car was lying on top of him, and he was in an argument with another passenger, who was also about squeezed out. The last words he said: 'I tell you, my friend, if you say Bismarck won't have another railroad -this -year -you -are -1-liar. Then turning his eye on the man who escaped, he said: If you want that lot you'd better close the deal quick. There will be three more roads in Bismarck this year, electric lights have been secured ,water-works will be'-but he died before the sentence was finished"

'Ah, yes, t'was he," the woman murmured in a heart broken tone, "but did he make the sale, and do you think we will have another railroad this year?" Bismark Tribune.

The Old Reliable Peter Schuttler Wago J. R. Kilpatrick received a car load

of these celebrated wagons, this week which were built expressly for the trying climate of the west, and the Horse breaking machines, a new rough usage of the mountains. Send all at the store of J. R. Kilpatrick, by stage or rail. Correspondence Solicited.
